I believe someone mentioned the Gmerica trademark is effective June 28th. With the USA "America" independence day of July 4th, RC has to announce something on or related to July 4th, right?

My belief (hope) is GME announces NFT marketplace and carve out dividend this Friday, June 24th. After the 10 days needed to pass the dividend record date is July 5th (since market is closed on the 4th).
