Xx Gme holder here....

Never once has my brokerage firm called me. But today around 1pm it did. It wasn't until a few hours ago i found out about the split. I miss the call but here's the message...

"I'm calling from [can't write the name] investments. I'm part of our planning and guidance group here at [can't write the name] investments. I was just reviewing your account. I had a couple of questions. I want to cover with you real quick." ■
