Ran a check earlier around 9PM CST and my account was just fine.

Made a twat calling out the sudden influx of " I'll never do business with you again " style posts...checked again.

10 minutes. I am now showing as ghost banned.

10 minutes.

Think they aren't watching...think again.

Funny as fuck to me. I'm a nobody. But I must have hit a button. I love Gamestop and the SMRT team.
