Hi 🖐️

Important update on your investment in
GameStop Inc:

GameStop Inc 4 for 1 stock split is now complete.

GameStop Inc conducted a stock split where
every 1 GameStop Inc share were split into 4 new
shares at market close on 21st July 2022.

Your Freetrade portfolio has been updated with
your new GameStop Inc holding following the
stock split. This has had the effect of multiplying
your previous holding, including any fraction, by
4. Fractional share entitlements were also issued
to 8 decimal places.

For further information on stock splits, check out
our FAQ [here](#).

Kind regards,

Parvisha
