This is a basic smooth brain post about Fidelity issues when DRS GME. The only thing missing in this conversation is my transaction number, The reps name of "Jim" and the opening pleasantries. Hopefully this keeps happening until no one can DRS anymore!!

[This is after the boiler plate response about Fidelity no longer in charge of my shares.](<https://preview.redd.it/o764qizp8xh91.png?width=1543&format=png&auto=webp&s=4626c18ddcfe10531f298ade221f384cd8aed403>)

[I haven't made any changes to this account since before the splividend.](<https://preview.redd.it/qepyt17u8xh91.png?width=1497&format=png&auto=webp&s=8bde08aaaccc7288590360c273d8048ae04f524c>)

Like I said pretty basic stuff and "Jim" just could've been bad at his job. IDK. I do hope and do know this WILL keep happening and will continue to get worse.
