CMC Markets is an Australian broker that cannot DRS transfer. So you would need to transfer to a broker that can. Australian brokers such as Commsec and nabtrade can DRS transfer for free. Wespac is able to for a \$10 fee, and IG Australia can for \$50.

Another options is an international broker such as IBKR. They charge a small fee of \$5 and have been reliable at DRS transferring.

Guides for all of these brokers are available are on the site.
