Every ape who gets a chance to see this, do not believe the words of any one person or entity. Decide for yourself through all of the data, facts, and evidence provided...the importance of the material discussed within this post.

I have witnessed it retain literally *more awards than comments* at one point...along with multiple apes reaching out in regard to how far buried its been since its release and so forth..

See for yourself, how this game, with damn near certainty, will end. The Fractionalization of the N.F.T.

The true meaning behind 741/F-N.F.T Link. Follow the trail..leave no stone unturned and realize the trap that was laid out for every shortbus and Co member on the wrong side of the holy stonk..
