Called and spoke to an agent when I didn't receive my shares today. Before I could even ask anything she asked if I was calling about GameStop. I have many other stocks in my portfolio. She said there receiving a ton of calls on this today. She told me there unable to get me my shares until the end of the day on the 26th.

I asked if this happens often during stock splits and she said no, this one is special. She wouldn't go into much detail. All I know is I'm getting my shares out of BMO as soon as possible, after this DRS is the only way.
