I am sorry for your wait, give me a moment or two to look over your account.

Thanks!

how many shares did you want to transfer?

All of them, which should be around 100. I'll leave the fractional leftover here on fidelity! Thanks!

I will move the whole shares for you, fractional shares can't be transferred.

That sounds good!

Processing transfer

You're all set. It takes around 3 to 5 days for them to leave Fidelity at that point we won't be able to help you with them at all, it will be Computershare, they will notify you when they get them.

Have a great evening!

bye now!
