We all know our Chairman is the 5D chess king. Tomorrow is the bbby earnings call and maybe just maybe RC and his team already were able to influence the company with their great commitment. (in best interest for the company; Not BCG and SHFs)

Imagine they announce something like the buy buy baby spin-off? That could prove the short basket theory again.

Gamestop will rise and Ryan Cohen has a plan!

As always no hype, but tomorrow we fly ■■
