Ryan Cohen tweeted "Are Dingleberries fruit?" last week...

Well, it turns out that someone called Kerry Dingle works at the SEC... in the Appellate court (Apple-ate court / court of appeals)

Dingle.Kerry.Fruit.

That can't be a Cohencidence. What are the chances???

I found two items on the SEC website with Kerry Dingle name in them, which may be interesting:

"Statement on Harmonizing, Simplifying and Improving the Exempt Offering Framework; Benefits to Small and Medium-Sized Business and Their Investors"

<https://www.sec.gov/news/public-statement/clayton-harmonization-2020-11-2>

And a document with Lek Securities in it, which I saw are being talked about at the moment in SS because of bankruptcy?

<https://www.sec.gov/litigation/apdocuments/3-19798-2020-08-17-respondents-motion-to-adjourn-with-exhibits.pdf>

Can someone look into this?

I can't read so well ■
