I would like to thank my wonderful Husband, Justin, who has been so supportive during the WFH transition and being just as excited as I am for me to make games. And as ALWAYS, Thank you to my fellow QA for always being amazing.

Catherine York

Cliver & Sweet T - Forever in our hearts. You are missed.

Cathy MacPherson

In loving memory of Richard Swigert 5/28/94 - 9/20/21

Charlie Naranjo

No matter your game or your dice roll, have fun with your friends and smile with one another. Thanks to everyone who's supported gaming!

Chris Morrison

As for me, I like the stock.

Christian Dube-Lebel

I love being a part of Gears of War and all that we do. I love my friends and family and especially Tanya for keeping me sane, and I can't believe I got so lucky that this is my life. Thanks, everyone.

Christian Fitch

Almost anything in life is possible, as long as you have the passion, the patience, the vision, and the aspiration. Don't listen to the haters, be true to yourself.
