As had been widely reported already, part of Citadel Securities, the independent electronic market making business run under the Citadel brand, [decamped to the 5-star Four Seasons Hotel in Palm Beach](#) at the start of the pandemic. There, it set up its own trading floor in a "bubble" for up to 50 employees and some of their families guarded by off-duty local police officers. Social media posts from [leggy women staying in the Citadel Securities bubble](#) extolled the virtues of ballet and the beach during lockdown.
