## Initial Public Offering (IPO) Definition

An initial public offering (IPO) refers to the process of offering shares of a private corporation to the public in a new stock issuance for the first time.

Is an IPO a Good Investment?

How Is an IPO Priced?

### People also ask

What is IPO for stocks?

**When a private company first sells shares of stock to the public**, this process is known as an initial public offering (IPO). In essence, an IPO means that a company's ownership is transitioning from private ownership to public ownership.
