RC has referenced Apple many times also 6/9. When did apple split their shares 7 FOR 1 on 6/9. 74147? I have a small wee wee. Eew eew llams evah I. Both tweeted at 741.

He tweeted out Apple doesn't fall far from the tree. I interpret this as either GME splits on 6/9 or FLAG DAY also tweeted by RC a few times, which is the 14th and NOT FAR from apples split in 2014.

Either he's been referencing just announcements from these tweets or the split is one of them.

Thanks for listening to my theory :)
