[Piñata Economics](<https://youtu.be/3DZLKoGB4mo>)

Thought I'd dive into the idea of Piñata Economics in this week's short story, ■ exploring the idea of taking what's owed to us from the wealthy rather than waiting for their 'generosity'. I think GME is the ultimate example of this. ■ We saw occupy wall street was just a demonstration with no results while what we're doing here is action. I made most of the art/music for this video. And I hope you enjoy! ■
