Anyone have thoughts on this? I'm already trying to not get my hopes up at all. Already assuming this is gonna be one of the biggest nothing burgers of all time...we already know they're together and complicit in trying to bail each other out of this. Anyways, wanted to get ahead of this cuz I know its gonna rile apes up only for them to release it saying "HURDURRR NOTHING TO SEE HERE GUYS. NO CRIME AT ALL IN FACT RETAIL ARE THE BAD GUYZ HURRR DURR"

Until I see real action, the Sec is dead to me. Please do your damn job ass holes.
