[Part 1 of my experience can be found here!]([https://www.reddit.com/r/DDintoGME/comments/pz5jpn/your\\_drs\\_position\\_transfer\\_request\\_has\\_been/](https://www.reddit.com/r/DDintoGME/comments/pz5jpn/your_drs_position_transfer_request_has_been/))

Day T+13 – I received the confirmation that the D.R-S. position transfer request has been completed and the transferred assets are now available.

So, on 5 October IBKR processed my D-R.S. demand and sent it to C-S.

Since then, the only thing that I have noticed was that my share disappeared from my IBKR account.

Having practiced patience for 9 months, I have not contacted C-S and not asked for the express mail delivery.

I just waited to see how much time it would take to receive my letter with snail mail in Europe.

And to my very surprise, in 16 calendar days since my DRS demand, I had the letter in my post (5 October D-R-S. demand, 21 October received the letter in the mail).

Now I can continue my quest to transfer to reach XXX level on C-S.

Wish me luck ■
