Had 400 shares and because we had a kid and I needed money I sold my shares for \$250 a while back, but...I didn't know about options and now I do! Finally was able to buy 300 shares when we hit the 80s and 90s and I can honestly tell you apes, I MAY sell options if I need money, but I will NEVER SELL MY SHARES AGAIN! HOLDING THEM FOREVER! Or until we hit 10k per share! #LFG #GME
