****I really don't think enough apes are listening and realize the sense of urgency that's needed. Don't give the hedgies "one more day"!****

#RIGHT NOW !!!

Get off your butt, turn off the video game, the TV, the porn, or whatever else you're doing and get on whatever social media you know how to use and ****spread the word about how critical DRS is to all the people outside of Reddit**** that already own GME. Also, get the word out about GameStop's fundamentals and turnaround plan to those that aren't already investors. Twitter, FB, Instagram, YouTube, Stocktwits, Financial apps, etc.

#Changing the world is what's at stake!!

The one person you "reach" could be that special person that has \$millions or that will then reach 1000's of others!!
