Welcome to Econiverse!

Econiverse is a free and open source website that was created for those who wish to learn more about finance. The resources are easy to digestible. You shouldn't have to pay anything to learn about finance.

While Econiverse was inspired from the misinformation and wild claims surrounding GameStop stock, it is not restricted to it! If you can contribute or help with the needs correcting, please submit a [issue](#) or start a [discussion](#).
