Please note that Computershare Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2012. Please ask your broker or contact your tax advisor if you need additional information about cost basis. Upon request, the Company will furnish to any shareholder, without charge, a list of registered shareholders and the authority of the Board of Directors to issue shares outside the direct registration system and the change rights, preferences and limitations of any class or series.
