That GME pops off within the next few months or sooner ■■■? I'm only asking due to the fact that I'm in debt now, and my best friend has his wedding coming up in October. I haven't even planned his bachelor party, (I know I'm a bad friend) but I'm gambling that this takes off sooner ■. I'm sorry if I wasted your time on this post, but my anxiety continues to build up as each day goes by.
