Their plan was to never close GME like other stocks.... But my plan is to never sell the drs shares....

Im here just trying to get some karama.

Filling in the spaces but actually its this is what it is they will go infinite zero we will go infinite something...

Pro gamer move...

It wouldn't matter we could just start all on block chain because the computerized stock market that once was is bugged forever.

Hell we see 4.5 billion years away. GameStop would be just thing that once happend...
