If mo-ass takes flight PRIOR to the shareholder meeting

THEN come July 2 WE HAVE:

Mo-assASS? Mother of all short squeezes AS STOCK SPLITS

THEN if EO 14032 on June 3rd, 2022 happens (eloquently explained by owter12 in another sub - "executive order that prohibits US entities from investing in military and surveillance related Chinese companies that support the Chinese military")

WE HAVE: EXECUTIVE Mo-assASS

Double comPOUNDED Mo-ass? Possible?

Could be ... bigger than anyone had imagined
