C Seems all the "coins" are taking a dump. 10:03 AM

10:10 AM Hey who's number is this, I didn't save it

C CSM 10:11 AM

10:12 AM Ah, I got a new phone recently, didn't port over the conacts

C No worries. 10:12 AM

10:13 AM GME hit +30% after hours yesterday with no real news or reasonable information to explain it

The same run up from January of last year will follow the same pattern around Jan 24-28th

10:14 AM It seems like hedgefunds were margin called last minute and had to transfer assets to maintain liquidity

C Yeah saw the same. It's trading down this morning but that's to be expected. I will say VTI is looking rather attractive right now 10:16 AM

10:17 AM If everything works out, how do I obtain a business license? I've been thinking of starting an esports arena either in the fayetteville area or VA Beach

C You looking at va small business loan? 10:18 AM
