**IMPORTANT INFORMATION — RETAIN FOR YOUR RECORDS**

This advice is your record of the share transaction in your account on the basis of the Company as part of the Direct Registration System. This advice is neither a negotiable instrument nor a security, and delivery of it does not of itself confer any rights to the participant. It should be kept with your important documents as a record of your ownership of these shares. No action on your part is required. If altered and you wish to obtain a certificate, please discuss your account via the Investor Center website or contact a customer service agent. Fees may apply to certificate issuance. Certificate requests made as part of a transfer request may automatically be charged to bank issuance. The DRS requires that we report the cost basis of certain shares acquired after January 1, 2012. If your shares were covered by the legislation and procedure used to implement the direct and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to either the first-in, first-out (FIFO) for equity issues or the average cost basis method. Please refer to our Global Fund and/or Registered Investment Company and not required to report cost basis until January 1, 2013. Please read our website or contact your broker if you need additional information about cost basis. Upon request, the Company will furnish to any shareholder, without charge, a full statement of the designations, rights (including rights under any Company's Rights Agreement, if any) conference and relations of the shares of each class and series authorized to be issued, and the authority of the Board of Directors to divide the shares into series and to alter, amend or change rights, preferences and dividends of any class or series. Assets are not deposits of Computershare and are not insured by the Federal Deposit Insurance Corporation, the Securities Investor Protection Corporation, or any other federal or state agency.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.
