Once this happens, its literally game over for hedgies. Or should I say their game officially comes to a stop.

Google "tesla gaming console" and all the articles are dated the week of the 28th, the same week the squeeze was stopped.

Tesla will need an entire digital library of console quality games to take full advantage of this VERY SOON... who better then the newly digitally transitioning gaming company called GameStop?

Ryan cohen's twitter followers have gone down from 10 to 7 in the past week, and Elon is still on that list....
