****Weather prognosis****

It's raining Hedgehogs, but I'm immune to ****FUD****.
In my zone theres 101% chance of ****Great biblical Flood****.

Ponzi schemes, no risk investing, and bank loans equal ****Loony Mooney****,
The end results shall be devastating, cold, and Gloomy.
Won't be enough for roll of tin foil. While Imma buy myself ****Wayne Rooney****
Just for kicks, make him change his name to ****George W Clooney****

Umbrella corp spits the same old toxic fume,
Trying to spook valiant Apes with realms of doom.
But all they got is a stale eight-piece and an incoming silent tomb.
Investing time in research and going All In, results in ****Sonic Boom****.
I like the stock. I HODL, while eating tasty Gems for breakfast in my Room.
DRSing more GMEs into the stellar infinity pool,

****Vroom vroom****

It's our time to build diamond monolith on top of the ****Moon!****
