IEX

LIKE A PRO

a simple guide to route the smart way

Part 1: Interactive Brokers

NOT FINANCIAL ADVISE

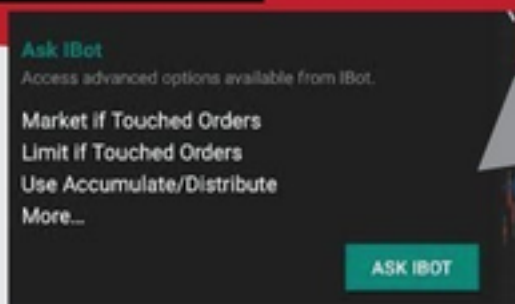

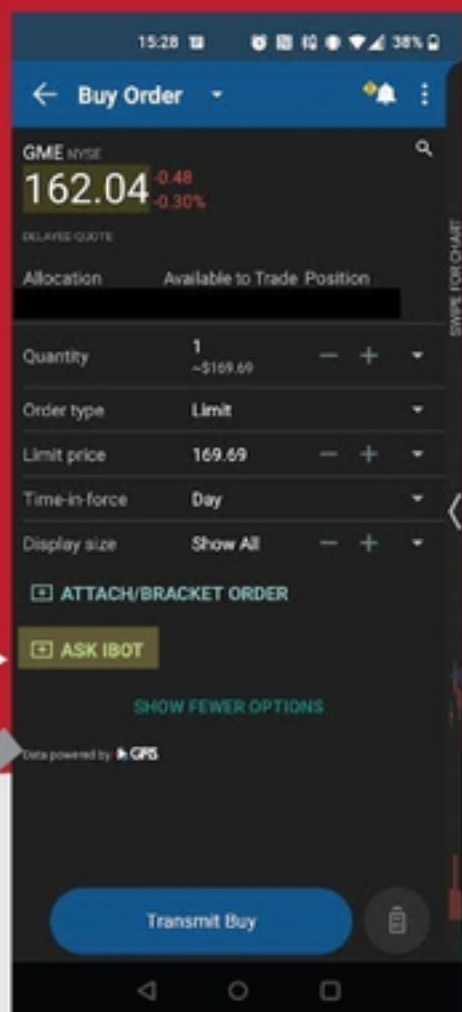

NOTE: This is for the Mobile App and the Client Portal (web)

Mobile App

-- STEP 1 --

Proceed as usual for your order (ticker, quantity, limit price, etc..) then click on

ASK IBOT

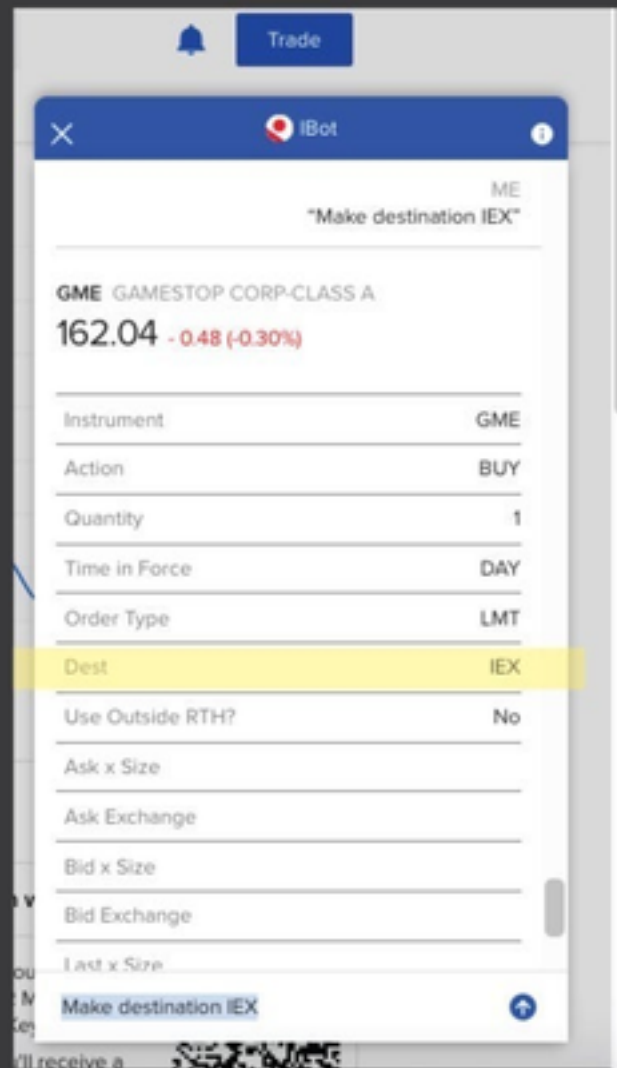

-- STEP 2 --

Once the Order Ticket is populated, type the command

"Make destination IEX".

You can then submit your order

The screenshot shows the IBot trading interface. At the top, there is a blue bar with a bell icon and a "Trade" button. Below this is a window titled "IBot" with a close button (X) and an information icon (i). The window displays a trade ticket for "GME GAMESTOP CORP-CLASS A". The price is "162.04" with a change of "- 0.48 (-0.30%)". The ticket includes the following fields:

Field	Value
Instrument	GME
Action	BUY
Quantity	1
Time in Force	DAY
Order Type	LMT
Dest	IEX
Use Outside RTH?	No
Ask x Size	
Ask Exchange	
Bid x Size	
Bid Exchange	
Last x Size	

At the bottom of the ticket, there is a text input field containing "Make destination IEX" and a blue arrow button.

-- STEP 2 --

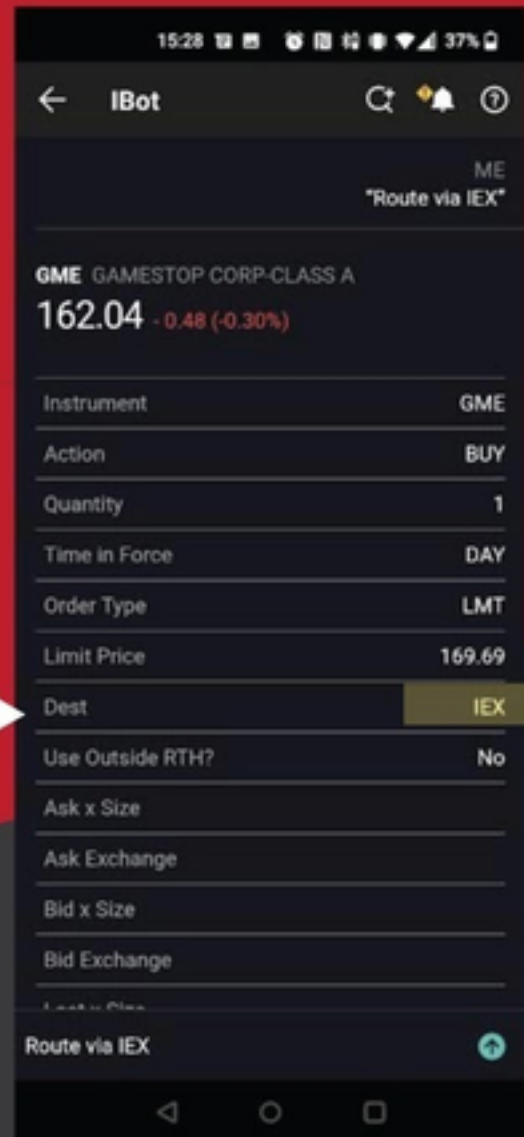

Type something like

'route via IEX',

You should see the
Destination changed
to IEX.

You can then
submit your order.
