I posted this theory before and was immediately meet with criticism from the community, I get it; I really do, it's a bit much to take in.....However, I've spent countless hours reviewing this theory and recently posted it in another community (altered it a bit, with the criticism from this sub in mind) and finally had some positive engagement. The biggest complaint from all feedback was: Please tell us WTF you're saying?! So let's give this a try. ***The dates I've expanded on below are at the request of a Reddit user and just a small sample of what's to come.....***

As most of you may know **This isn't my thing,** *but I cannot simply sit here and wait for someone to see what I see. I'll do my best to shed light on this opinion without embarrassing myself.* ***Again this is not financial advice, get your own, Educated, Financial Advisor! The opinions you will find below are my own, and I probably own many of the stonks covered here today!***

Meme Manual CHAPTER 1: All things Hot and Cold.....

*Mario in Frog suit Tweet***:***

The tweet shows a Clip of Mario in a Frog Suit battling Wendy O. Koopa. Once conquered the "wand" is returned; However, in the tweet, the "wand" is an ice cream cone (appears to be of the soft-serve variety) and it is returned back to the 3rd King. FWIW Noticed he asked "Shall I change you back with this cone?"

Happy IWD! International Women's Day "Good luck choosing a favorite....."Tweet:

Asking who our favorite is with 🤔 Loudly crying face & Growing Heart " emojis. I would ask why the crying face on IWD, not too smart for a company trying to attract new customers IMO. Also, remember Wendy O. Koopa? No need to mention the "Growing Heart".

Gump is asked, Why are you doing this? Are you buying GME for women's rights? ***View the tweet for additional context.***

Giving @ Carls493 Credit to his Mario Tweet 7:51 AM March 8, 2021

Again Wendy O. Koopa is front and center. And in my opinion, he is answering SLGG's very specific question of "Who is your favorite female-identifying video game character?" Strange? VERY! Coincidence? I think NOT!!

Let's go a bit further; I'm having fun now! Not to mention, it's a good setup to further validate my opinions.

Fess up: what's the most evil thing you've done in a video game? Tweet

<https://twitter.com/JoinSuperLeague/status/1369377580755935238>

The tweet was simply a question; but the character asking is Satan, dressed in red! Remember Wendy O. Koopa from RK's March 8th tweet? Well, hot damn; was she not underground throwing fire rings? You're welcome!

Mortal Combat Bicycle kick Tweet:

The ***"Evolution"*** of Liu Kang's Bicycle Kick. I'm stressing the EVOLUTION as this is speculative, but what the fuck have we been doing for 10-11 months! Not to mention the comedy at the end about waiting! He is a Legend!

That's all for today, I hope you enjoyed Chapter one. I will work on March 18-19th next. I really just wanted to get something out to hopefully build some excitement for this theory. I hope the formatting was a little better? I am trying!! ■
