Good morning my lovely apes,

Ahead of what MAY be an important week for each of you, I thought I'd recap some of the actions Shitadel has taken.

I'm purely looking at this from a psychological perspective, the technical stuff checks out, but it's the actual actions by Kenny and his minions that has made me double down from XXX to XXXX shares!

There's nothing new here, any steely-eyed ape will have seen this all. I'm simply recapping it so that you can replenish your Sunday coffee-mation bias ;)

**\*\*Citadel are spending millions paying a media company to fill this sub with shills and spread GME FUD on YouTube.\*\***

\* Why would they do this if all the shorts had covered? He's just throwing millions of dollars away when he doesn't need to.

\* Why would they try to distract us with other ['investment' opportunities?]([https://www.reddit.com/r/GME/comments/lwwjcj/proof\\_of\\_shills\\_trying\\_to\\_distract\\_us\\_from\\_gme/](https://www.reddit.com/r/GME/comments/lwwjcj/proof_of_shills_trying_to_distract_us_from_gme/))

\* Why would they try to [report us as suicidal]([https://www.reddit.com/r/Superstonk/comments/mmtshs/so\\_me\\_shill\\_fuck\\_tried\\_to\\_report\\_me\\_as\\_suicidal/](https://www.reddit.com/r/Superstonk/comments/mmtshs/so_me_shill_fuck_tried_to_report_me_as_suicidal/)) when we're not?

\* Why would they try to [ban us]([https://www.reddit.com/r/Superstonk/comments/mosmev/new\\_strategy\\_by\\_y\\_shills\\_to\\_silence\\_active\\_accounts/](https://www.reddit.com/r/Superstonk/comments/mosmev/new_strategy_by_y_shills_to_silence_active_accounts/)) from posting DD on Reddit?

\* That company Citadel are paying, just by chance is also [partly owned by them]([https://www.reddit.com/r/Superstonk/comments/mswcdm/lifewater\\_media\\_trojan\\_horse\\_the\\_ultimate\\_guide/](https://www.reddit.com/r/Superstonk/comments/mswcdm/lifewater_media_trojan_horse_the_ultimate_guide/)) too.

\* Proof that Citadel are [paying influencers]([https://www.reddit.com/r/Superstonk/comments/msicgg/proof\\_that\\_lifewater\\_media\\_is\\_buying\\_influencers/](https://www.reddit.com/r/Superstonk/comments/msicgg/proof_that_lifewater_media_is_buying_influencers/)) to spread FUD. Look at these guys trying to encourage other influencers to be shills too.

**\*\*Citadel are even trying to get our resident DD experts and Mods to sell out\*\***

\* Why would he try to [bribe DD expert/high karma accounts]([https://www.reddit.com/r/Superstonk/comments/msavc6/shill\\_recruiter\\_slid\\_straight\\_into\\_my\\_dms\\_i\\_saw/](https://www.reddit.com/r/Superstonk/comments/msavc6/shill_recruiter_slid_straight_into_my_dms_i_saw/)) to say bad things about GME if he had covered his short position?

\* Why would he take an action which by the [SEC's own handbook is illegal](<https://www.sec.gov/files/Market%20Manipulations%20and%20Case%20Studies.pdf>) if he hadn't already covered his shorts?

\* Why would our boy Kenny risk jail time doing something illegal if he had nothing to lose?!?!)

**\*\*Citadel issued a BBB rated bond in Q1 this year\*\***

\* Why would someone take on more debt when they don't need to?

\* Triple BBB isn't a very highly rated bond and [seen as risky](<https://www.bloomberg.com/opinion/articles/2019-11-04/alarms-still-blare-on-triple-b-bonds-but-no-one-cares>), that's a hefty amount of [interest that needs to be paid on it](<https://www.spglobal.com/marketintelligence/en/news-insights/latest-news-headlines/hg-bonds-citadel-finance-places-600m-of-notes-in-bond-market-debut-terms-62989441>)!

\* Also worth noting [Kenny's last bond in 2019]([https://www.moody's.com/research/Moodys-Assigns-Ba1-ratings-to-Citadel-Securities--PR\\_403201](https://www.moody's.com/research/Moodys-Assigns-Ba1-ratings-to-Citadel-Securities--PR_403201)) issues were BA1 + BAA3s.

**\*\*Kenny hired several ex-**\*\*SEC**](https://amp-ft-com.cdn.ampproject.org/c/s/amp.ft.com/content/dc1d1ddd-4940-4a58-a2de-0ba434927505)**\*\*****\*\*CFTC**](https://www.reddit.com/r/GME/comments/mi0sq3/citadel\_securities\_hires\_excftc\_chairman\_tarbert/) **\*\***personnel in the last few months**\*\*****

\* These people aren't cheap. If business is booming, why would Kenny make these hires if he didn't need them?

**\*\*Someone sent death threats to our DD experts**\*\*****

\* Why would someone send our DD experts death threats if the shorts had covered?

\* [Pixel telling us he received death threats and is backing away from producing DD](https://twitter.com/heyitspixel1/status/1375888422825512967?s=21)

**\*\*They rushed out a**\*\*** **['documentary'** telling us the game had stopped**\*\***](https://abc.com/news/insider/watch-gamestopped-abc-news-originals-special-streaming-exclusively-on-hulu)**\*\***, even though we're blasting through to the final boss!**\*\*****

\* Does it feel like the game has stopped to you? If the game was over, why are we still being shilled, threatened, short ladder attacked and trades being done on dark pools?

\* Why is all that still happening if the game really has stopped?

**\*\*Why would**\*\*****

**\*\*Motley**\*\***](https://www.reddit.com/r/Superstonk/comments/mkrxar/remember\_to\_forget\_gme/) **\*\*and**\*\*** **\*\*MarketWatch**\*\***](https://www.reddit.com/r/Superstonk/comments/mkhl9i/marketwatch\_strikes\_again\_after\_weeks\_of\_no\_news/) **\*\*endlessly tell us and the planet to forget GME?**\*\***********

\* What do Motley and MW have to gain with GME's fall? Does it have something to do with the fact they enjoy a commercial relationship with Citadel?

\* [MW linked to Citadel](https://www.reddit.com/r/GME/comments/msuj3g/guess\_who\_is\_also\_with\_citadel\_marketwatch\_do\_i/)

\* [Fool linked to Citadel](https://www.reddit.com/r/Superstonk/comments/msmh9e/the\_motley\_fools\_money\_trail\_to\_citadel/)

\*My question to each of you apes is simple.\*

**\*\*Why would they do this all if MOASS was off the table?**\*\*****

What do these actions say to you?

Are they the actions of a mad man who has something to lose?

Would you do all these actions if you had NOTHING to lose?

Kenny,

I know you're reading this you little bitch.

MOASS or not.

When the dust settles - you'll be behind fucking bars boy.

The harder you hit retail, the stronger retail gets.

You CAN'T STOP, WON'T STOP, GAME-FUCKING-STOP!!!!!!!!!!

P.S. Floor is \$10m.

EDIT: Some bonus questions:

\* [Citadel hasn't posted ANYTHING on Twitter since Jan 21.](<https://twitter.com/citadel?lang=en>)

Why would they do that? Do they fear that anything they post may end up coming back to bite them?

EDIT 2:

Fellow ape said the bonds are BBB-! Pretty much junk rated.
