As a gamestop shareholder, your voice matters. Don't rely on anyone else. The quarter is almost over and a shareholder meeting is coming up too. Retail investors are obviously noticed and I think it's great how much conversation comes from our loud presence. Basically what I'm trying to say is in the title and I'm just trying to make this post long enough to not be taken down. I hope everyone votes! Whales will be voting as well and we don't know their intentions. Anyway, ■■■■■ !!!
