\*\*\*The availability of additional authorized but unissued shares of common stock may enable our Board to render it more difficult, or discourage an attempt to obtain control of, the Company,\*\* which may adversely affect the market price of our common stock. If in the due exercise of its fiduciary obligations, for example, our Board were to determine \*\*that a takeover proposal were not in our best interests, such shares could be issued by the Board without stockholder approval in (i) one or more private placements or other transactions that might prevent, render more difficult or make more costly the completion of any attempted takeover transaction\*\* by diluting voting or other rights of the proposed acquirer or insurgent stockholder group or creating a substantial voting block in institutional or other hands that might support the position of the incumbent Board or (ii) an acquisition that might complicate or preclude the takeover. This proposal is not prompted by any specific effort or takeover threat currently perceived by management. " GME
