Thank you for chatting with Fidelity Investments. My name is Jacob with the Client Service team, and I'd be happy to assist you today. I understand you would like to Direct Register GME Shares?

Hello Jacob. Thank you kindly for your assistance today. I would like to DRS 5 of my GME shares to Computershare, please.

I can definitely help with that! One moment while I pull up those tools.

Awesome! Thank you!

I am happy to help you with your request. Making the decision to directly register these shares will result in your shares no longer being held at Fidelity. Please confirm that you are comfortable with this decision by responding "yes," or let me know what questions you have.
