I'm an Aussie with a portion of my GME shares with ANZ. They have yet to allocate my splitivend shares.

Gave them a call today and they said they are still waiting for their custodian to process the new shares, BNP Paribas. Not stressed about it at this stage but it is interesting.

And before anyone bangs on about DRS, can't be bothered so I'm taking the risk. If you say I don't deserve to get what I'm owed like everyone else, you're an asshole who likes to see others get ripped off!
