Michael Burry and John Paulson took a short positions in Subprime mortgages, they started 2003, and once again bought 2006, people said they was crazy, and even they doubt it many times.

It was close that Michael was forced to sell his positions because his investors.

They was early, but not wrong. A couple of years later you guys know what happend. Biggest trade in history was made 2008.

Patience, remeber why you took a positions and hodl. Gamestop won't stop
