I called Fid to transfer more shares to CS and this was the first three lines of my best conversation ever!

Him: "Thank you for calling Fid, how may I help you?"

Me: "Hello! I'd like to transfer 51 shares of GME from Fid to Computershare, please!"

Him: \*long-winded & loud ::sigh:: away from phone speaker...\* "Of course! As your customer service agent, I will be more than happy to assist you with this."
