I see you. All of us true diamond hands see you. You have layed down your public image to make a sacrifice. One that a very fortunate few appreciate with an unending love. Your compassion and willpower is matched by none. This decision, is one of which im sure came with much deliberation yet seemingly no hesitation. The right choice was made in my mind, without any doubt. Even though we may not see the whole picture, this will benefit not just us diamind apes, but retail, the people, and all. With no question, the truth will one day come to the light. For now, we are not yet ready.

There will be pain, and probably some loneliness on this road you travel.

Yet, know yee not beith alone.

We are here, WE DIAMOND HANDED JACKED TO THE TITS APES!!!! WE HAVE YOUR BACK, AND WILL FOLLOW GME... GAMESTOP, UNTIL THE FARTHEST REACHES OF ITS DESTINY!!!!

FOR WE KNOW, THAT THE HEDGIES R FUK!!!!
AND THAT THEY FACE INFINITE RISK!!!!!!
