Good afternoon you beautiful APEs. I am in a pickle and am wondering if someone could help me out.

I am trying to get a high quality .png file for the r/place picture. Mainly the area around the GME / loopring / immutable section including the lady on the green line above it. But I need it in a 10" x 10" .png.

Whenever I try to modify one it gets all blurry or out of shape.

And yes.... I am basically tech-tarded

Is there anyone that might be able to help me out?

Thanks!
