Do you own your Gamestop shares with Freeshare? I'm in the process of DRS'ing out of revolut which was very easy thanks to the guide I found on here. Freeshare on the other hand wouldn't let me vote in the shareholders meeting last year and I don't think I can drs from them either.

Is there anyone else with Freeshare and how do I DRS with them or is it better to sell and buu back in with revolut to DRS?
