## DO NOT BAIL OUT THE FINANCIAL MARKETS THIS TIME!

It's coming. Don't do it! You do not have my permission to once again bail out all the big banks/Wall Street that have supported everyone on the Hill for decades. You are taking part in ruining our country by allowing them to run it and run you. They need to be held responsible, so they STOP DOING THINGS THAT ARE ILLEGAL!

You need money to hold the economy up that they (and you by proxy) have let slip into unsustainable chaos? Go get the money from the people who created the problem. They have it all. Get RICO involved so you can collect personal assets and go after them hard! You can't keep printing money and expect the hard-working taxpayers to keep footing the bill for their (and our leaders!) misconduct. They have self-regulated themselves into illegal activity BECAUSE THEY CAN! They short sell businesses into the ground and take jobs away from your worker-bees. And, then you reward them and give them money! JUST STOP IT! You bail them out 'to keep our economy from crashing,' but you won't correct the problem after. Then it happens again and again. Why? Maybe it has something to do with who is really running the USA?

You can blame the SEC for not doing their job, but they are understaffed for the Goliath that needs to be taken down. Many Judges who hear their cases are bought too. Who can afford to fight the money that is pouring in to keep everyone complicit? JUST STOP IT!! The taxpayers can't handle any more. We are supporting the infrastructure, the poor, the rich, the corporations, Wall Street, the banks, pharmaceuticals, etc... We are having trouble supporting our own families. JUST STOP IT NOW! The damage done may not be repairable, but at least if you stop it, it won't get worse.

I am begging you and everyone in DC to fix the wrongs. That's what we sent you up there for. I'm not going to lie....I am losing hope.

With all sincerity and begging for everyone there to find their backbone and stand up to the greed that has so horribly dishonored our wonderful country.

(don't forget to add your name!)

Love all you Diamond Handed Apes. See you on the moon.
