I love GameStop the store. I love GME the stock.

I do own some popcorn stock.

I asked the question:

Why are some referred to as "paper handed bitches" when AA is called a "silverback" when he sold over a million shares?

I was banned from the sub. I was reported for being "dangerous". The popcorn sub is "toxic" apparently to use a word the kids use.

Legitimate question I thought.

Ryan Cohen has sold how many GME shares?
