Vice President

BlackRock

Aug 2013 - Jun 2019 · 5 years 11 months

San Francisco Bay Area

As a Vice President on the Aladdin Implementation team within BlackRock Solutions, I managed front office work streams including portfolio, risk, and security modeling and reporting. During projects in Colombia, Mexico, and Chile I built out Aladdin's analytical support for financial markets in Latin America including treatment and valuation of inflation currency derivatives.

Prior to this, I managed the Aladdin analytical relationship of several large asset managers and corporations on the
