Despite him possessing this knowledge, he still opted to proceed with his attack on the United States of America with goals to destabilize our economy and society for his personal gain.

Our dollar has been devalued and our country has been destabilized since this attack.

People care so much about January 6th or the fascist dictator Vlad in Russia, when the biggest threat to our democracy and economy is right here at home in Menlo Park, CA.

I never thought I'd see the day the US military would allow a foreign national to get one over on the entirety of the US government, but here we are. ■

I can only hope that GME mooning shuts this type of thing down and Vlad pays for bringing America to her knees during a plague and ecological collapse.
