Especially how Tricia / APEX ****seems to**** [indirectly tie](https://i.redd.it/lryo3vswui471.jpg) \[Source](https://www.reddit.com/r/Superstonk/comments/nx4hdi/tricia_rothschild_the_president_of_apex_a/) \[**into GME** because when Tricia Rothschild was the ****President under APEX Clearing**** \- they were being [investigated by Department of Justice and FinCEN](https://www.reddit.com/r/Superstonk/comments/oc15wu/was_gamestop_attacked_by_global_fraud_ring_i/) \[1](https://www.bloomberg.com/news/articles/2021-05-26/justice-department-is-said-to-open-probe-into-archegos-blowup) \[2](https://www.reuters.com/business/finance/banks-involved-archegos-meltdown-face-doj-probe-bloomberg-law-2021-06-24/#:~:text=Banks%20involved%20in%20Archegos%20meltdown%20face%20DOJ%20probe%20%2D%20Bloomberg%20Law,-Reuters&text=The%20blowup%20cost%20big%20global,than%20%2410%20billion%20in%20losses) \]. But whenever this is mentioned is when the angry shill mob presence around my posts / comments seem to increase.

For those of you who ****do NOT know****, on [May 26th](https://www.reddit.com/r/Superstonk/comments/oc15wu/was_gamestop_attacked_by_global_fraud_ring_i/), ****GameStop**** [provided financial information](https://news.gamestop.com/static-files/c48c7a03-2683-407c-95d0-83584d1a2b70) \[Pg 21\] (as ****requested by the SEC****) to the ****Department of Justice****.

I personally enjoy the sheer level of questioning, attacks on credibility, and name calling because it seems like only when I mention these things, especially Tricia Rothschild and the APEX Clearing investigation, ****Tricia Rothschild really seems to ignite the fuse for them****.

What are they ****trying to prevent people learning about Tricia Rothschild****, and how she is old money, and ****might be part of the fuckery behind this massive short campaign**** / against Big Tech?

Is there something about ****Tricia Rothschild that deserves some investigating into**** and ****why she is no longer the President of APEX Clearing**** (as of a month or so ago)?

Was Tricia told to stand down from her position as a result of something that was discovered?

I don't know, I just really want to poke the bear here. I think that ****there is something worth looking into here****.
