No idea how to format a post on here so strap down your crayons for some late night speculation.

Heads up - I'm just a smoothbrain ape trying to form a wrinkle so this is \*probably nothing\*.

RC adventures on Twatter continues and we are blessed with another post.

[There's plenty of apes already busy sharing links buuuut, just in case you haven't seen it 100 times yet, here it is ](<https://preview.redd.it/pegx2u3gpns81.png?width=528&format=png&auto=webp&s=efa39d2c2ddd5ace9d88b0eb931af6c1c7d6d187>)

Nothing to see here you might say.

Just our fellow chairman asking for some funny memes to close out a late night. How late you might ask...? Well his latest addition just so happened to be posted this one minute before midnight. Some wrinkle brains over at SS noticed and made a quick connection.

[Brought out the crayons for that one in case you missed it like I did the first three times reading through it. ](<https://preview.redd.it/6cm9gcrirns81.jpg?width=1242&format=pjpg&auto=webp&s=1a08aadd3f50eb3184bd3446c8e2bd2c3e9893ea>)

Treaty? I have to admit, the first thought that went through my head was FUD.

Papa Cohen has thrown the towel and made a deal with Shitadel & Co.

Clearly they saw something way over my pay grade, why else would they post it, unfortunately nobody had drawn it out with crayons yet so I went on with my merry life browsing for some DD. And boy did I see a lot of similar posts.

Turns out we've got a new kid on the block ...

[Let me introduce Bill Pulte](<https://preview.redd.it/7qwxzg69uns81.png?width=533&format=png&auto=webp&s=4c38924b0bef6786ce548571acd234c6fae2fda6>)

Now this wasn't the only post mentioning him, this one just happens to include Ryan Cohen replying to one of his comments(Don't see him doing that every day). Billy seems to be all the rage tonight over in SS.

The TLDR: 50% of posts cheering on Bill Pulte 50% posts saying be wary of a wolf in sheepskin. With the opinion split I decided to do my own DD and checked out what Billy is all about. I suggest you do the same and don't trust my word for it blindly.

Personally, I was blown away by what I found. Went to this guys Twitter and it's basically just him handing out money to people in need. Now I have no idea how to prove the legitimacy of this, however, it seems like he's been doing it for a while. While scrolling one tweet caught my eye mainly cause it wasn't just

about giving away money.

[Now, I know this tweet is not from the same day as the midnight post and it doesn't quite line up with what comes next, just let me have my moment and play along.](<https://preview.redd.it/d9b93cdnyns81.png?width=599&format;=png&auto;=webp&s;=c1214d35b1287a3ec90a082c4aec5a59872d75bc>)

Oh no, looks like Billy has had a long day. Closing on a new acquisition all night you say? I hope it didn't last until **\*\*ONE MINUTE TO MIDNIGHT\*\***. \\*Mic drop\\*

Like I said at the beginning, I am smooth brain so the dots I'm connecting probably just line up to a steaming turd but from where I'm sitting it looks like Mr. Pulte and Papa Cohen may have bonded over the fact that BCG tried to smother both their companies. Will just have to wait until M-word tomorrow.
