Why Is Everyone Talking About GameStop?

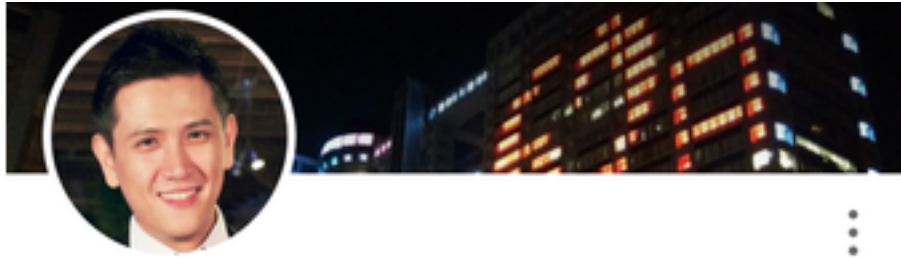

By [Leo Sun](#) - Jul 10, 2022 at 11:15AM

KEY POINTS

- 🔑 GameStop's stock soared after it approved a stock split.
- 🔑 But its core business is still faltering, and its crypto and NFT plans don't look promising.
- 🔑 The stock looks cheap, but it could get a lot cheaper.

About

I started writing for The Motley Fool in 2012, and became a full-time contract writer covering the tech industry the following year. Between 2010 to 2013, I wrote articles at WebFinance's Investorguide.com.

Between 2002 and 2013, I was an English Teacher and supervisor for Hess English Schools in Taipei. I trained new teachers, monitored their progress, and oversaw cross-cultural workplace relationships.
