I'm Zen on the red. Buying more. What really freaks me out is the fight that's coming between my Logic and my Diamond Hands:

LOGIC: SELL! You have more than doubled your investment (my average is high)

DIAMOND HANDS: (\*determined Zen)\* No Sell No Sell!

LOGIC: SELL! You can pay off all your bills and still have money in the bank! Are you nuts?

DIAMOND HANDS: (\*determined Zen)\* No Sell No Sell!

LOGIC: SELL! You can pay off your house and retire!

**\*\*DIAMOND HANDS:\*\*** **\*\*\*(getting anxious)\*\*\*** **\*\*I can't let my Ape Family down. They are counting on me to HODL\*\***

**\*\*LOGIC:** You never thought you would be a Millionaire! SELL Idiot! SELL!\*\*

**\*\*DIAMOND HANDS:\*\*** **\*\*\*(freaking out! heart pounding! frequent checking on price)\*\*\*** **\*\*Got To Sell On The Way Down! It's Still Climbing!\*\***

LOGIC: SELL YOU IDIOT! You can pay off all your families houses AND help the needy AND have enough money to travel the world!

DIAMOND HANDS: (\*Zen again)\* I can't my friend. The World is depending on me hodling.

I think getting through the MIDDLE part will be the hardest. Gonna do it for you Ape Family. SO proud to be a part of GME and history with you.
