We got some good news for gme today ■

Price wiggled during market hours ■

After market sushi announcement with gamestop nft■

No price movement ■

I'm going to say it for 2 reasons

Reason 1, it's true ■■

Reason 2, it's the only thing on the bingo card they haven't been called ■■

These wall st shorting criminals are racists!

During the blm woke period I've been studying and this is them doing a text book racisms.

It's not just a coincidence that kenny out here looking like shane gilts dad.

I bet Kenny even scrubbed the Web of every clip of him saying noodles.

This has got to stop and apes need to stand together we've got a purple hart ■ on a pirate flag now.

Anyone wana drop some purple hart pirate flag nfts that would be delightful ■ otherwise me and mini ape got a new homework assignment
